The evening meeting has been well received.. good attendance

Steve published a plan to all for the Races meetings until : 2026

Steve also presented a new HT radio (Radtel) . It has good features and a wide range Ham radio use. The price is about \$100 on Amazon and better price at the RADtel website. The website provides good coverage and support.. Chirp will be available also GPS, APRS.

Future Events

Christmas get together at the AWA Dec 10 @6PM

January Meeting will be our “flea” market

January 24 will be a field day - need to find a good

Site : Tom’s House , Big M ??

Nov 22 Breakfast at Ray’s 8 Am

Technical presentation on Laser diodes and kit soldering by Tom Hodge. Use laser beams to communicate easily on point to point.. The kit cost about \$15.00.. Possible usage for the AWA kit building and (soldering).
